Late Evening Snack – Fruit, breadsticks, crackers, salad sticks
We also offer a selection of fresh fruit to take home

Non-food consumables – including the following: £1.14

Online Learning Journal, Parents communication tool:
We track all children's progress whilst they are with us at AristoTots Nursery School, this is recorded on an online portal giving access to parents to review, comment and keep up to date with their child's progress whilst at AristoTots
All parents will be given log-in access to their own child's journal
The online account also offers a communication tool for parents to communicate with their child's Key Person and Nursery management team offering a link to the nursery and positive parent partnerships
Sun cream:
We have a duty of care to all children to ensure sun safety whilst they are nursery. Due to allergies within our setting and the fact a high percentage of sun creams are made with nut oils, we provide the cream to ensure we are not accepting an allergen into the nursery environment
Nappy Cream/Wipes/Personal Care products:
All creams, wipes, cotton wool, nappy bags and disposable gloves & aprons are made available for children of nappy age
Personal care items such as wipes, gloves, creams and lotions are available for children who are potty training and children who need support with toileting whilst at nursery
Tissues, hand soaps, hand-gels and barrier creams are also proved
Toothbrushes and toothpaste
As part of the Oral Hygiene guidance, we encourage all children to brush thoer teeth during the day at nursery, to support such and in collaboration with our 'Smile Award' status, we provide toothbrushes and toothpaste to all children within the nursery setting.
